# DAHLIAS

1930

UNCAS DAHLIA FARM  
UNCASVILLE, CONN.

Formerly of Norwich, Conn.

## GREETING FOR 1930

Our 1930 Catalogue brings greetings to our friends, old and new, and we take this opportunity to express our appreciation for the generous patronage we have received in the past, and to assure you that we will do all in our power to merit a continuance of your support in the coming season.

While our collection is not "the largest in the world," we consider it one of the best selections of up-to-date Dahlias that have stood the test in the trial gardens and shows.

Our farm is located on the trunk line on the west side of the Thames River, six miles from New London and six miles from Norwich, in the village of Uncasville.

We extend a cordial invitation to one and all to visit our farm and see the different varieties when in bloom throughout the months of August and September.

Thanking you for past favors, we are at your service.

UNCAS DAHLIA FARM,  
Brown & Izbicki, Props.

---

### S P E C I A L For Our 1930 Catalogue

To all that will send us \$.50, we will send a dahlia tuber worth at least \$1.00, postage paid. This offer is to have more people grow our Dahlias for 1930.

---

UNCAS DAHLIA FARM  
Uncasville, Conn.

### NOTICE

This price list cancels all previous lists after Jan. 1, 1930.

No orders will be sent prepaid for less than \$2.00. On all orders less than \$2.00, 25 cents extra for postage and packing must be sent, otherwise they will be sent by express F. O. B. Uncasville.

In closing, we wish to thank all of our customers who grew our Dahlias in 1929, and hope to be favored with their orders for 1930.

A Happy New Year to all.

UNCAS DAHLIA FARM,  
Brown & Izbicki, Props.

## OUR BUSINESS METHOD

---

### This List Cancels All Previous Ones

We do not recommend planting in this climate until the latter part of May, and to insure a longer succession of bloom, planting should be extended until the latter part of June.

We start shipping about April 1st, and all orders are filled in rotation as received, but if customers will kindly state at what time after that date they would like them, we will try and ship as near to that date as possible.

We send out divided field grown tubers, every one guaranteed true to name and to arrive in good growing condition. We cannot guarantee them to grow unless they are unpacked immediately upon receipt.

Any complaints must be made at once, and unsatisfactory tubers returned. All retail orders are sent Parcel Post, postage paid, if the order is paid in full. Otherwise they will be sent C. O. D.

All orders taken at the shows will be sent C. O. D. unless other arrangements are made at time of placement of orders.

As the demand for some varieties often exceeds the supply, it will be well to order early and so avoid disappointment. It will also be well to name a second choice, or state if we may substitute for any that we are sold out of.

Remittance should be made by P. O. Money Order, Bank Draft, Express Order, or sums for less than \$1.00, stamps will be accepted.

While our system for handling orders is as near perfect as possible, yet in the rush of business, errors are apt to occur, and we wish to be promptly notified of such, and we will at once make same satisfactory.

Always keep a copy of your order for comparison.

*Names and Addresses.* Please remember to write name and address plainly. Give State, City or Town, Number of Street and Post Office Box Number.

Cultural direction will be sent with bulbs.

### UNCAS DAHLIA FARM
